How do we start preventing adoption and guardianship disruption?

Adoption Competent Mental Health · https://bridges4mentalhealth.org/hub/adoption-competence/how-do-we-start-preventing-adoption-and-guardianship-disruption/

Summary: This article explores the issues and challenges surrounding discontinuity and disruption in adoptions and guardianships. It discusses the reasons behind disruptions, the impact on children and families, and the importance of support services and interventions. Three factors are outlined, including child, parent, and system.

Application: The article offers strategies for preventing disruptions and supporting families in need. The emphasis is prevention, including the significance of careful matching, preparation, and ongoing support to ensure successful and stable placements for children in adoptive and guardianship families.
