Building Capacity Around Suicide Prevention in Tribal Child Welfare Programs

Crisis Response and Suicide Prevention · https://bridges4mentalhealth.org/hub/crisis-response-and-suicide-prevention/building-capacity-around-suicide-prevention-in-tribal-child-welfare-programs/

Summary: While depression and suicide affect everyone, American Indian and Alaskan Native people are at a higher risk, and Native youth are especially vulnerable. This tipsheet shared resources to help professionals develop strategies to prevent suicide.

Application: The resources compiled here can support the development or enhancement of suicide prevention efforts and tribal child welfare best practice within your program and community.
