Interactive Screening Program

Crisis Response and Suicide Prevention · https://bridges4mentalhealth.org/hub/crisis-response-and-suicide-prevention/interactive-screening-program/

Recognizing that feelings of shame, fear, and embarrassment often hinder individuals from seeking help, the Interactive Screening Program offers a tailored solution. Anonymity is key, enabling individuals to engage with program counselors while maintaining their privacy. This tool allows individuals to answer screening questions and be connected with someone who can help. It can be implemented in child welfare and/or mental health offices.
