# Adoption by the Numbers

Data · https://bridges4mentalhealth.org/hub/data/adoption-by-the-numbers/

This is a comprehensive compilation of adoption statistics, including public, private, stepparent, and intercountry.  It is the only report providing a count of private domestic adoptions and includes state factsheets showing how adoption has changed over time in each state.

Report: ***Adoption by the Numbers, 2019-2020***
