The Kinship Services in Tribal Child Welfare Policy Toolkit

Kinship Care · https://bridges4mentalhealth.org/hub/kinship/the-kinship-services-in-tribal-child-welfare-policy-toolkit/

Part one of this toolkit examines several issues that tribal child welfare programs might want to consider in drafting policies and procedures to support relatives and kin caregivers. Part two provides policy guidance and sample trauma-informed language to support the development of tribally specific child welfare policy to address the identified issues outlined in part one.
