Facilitating a Referral for Mental Health Services for Children and Their Families

Access to Mental Health Services · https://bridges4mentalhealth.org/hub/access-to-mental-health-services/facilitating-a-referral-for-mental-health-services-for-children-and-their-families/

While this resource was created for Head Start professionals, the guidance can benefit child welfare professionals as well. It is important that professionals working with families are clear about how to best make referrals to mental health services. The way program staff initiate and navigate the referral process with a family can have a lasting impact on the family's level of engagement and overall outcomes.
