School-Based Services for Students Enrolled in Medicaid

Access to Mental Health Services · https://bridges4mentalhealth.org/hub/access-to-mental-health-services/school-based-services-for-students-enrolled-in-medicaid/

The School-Based Services for Students Enrolled in Medicaid issue brief examines how schools can serve as an important setting for delivering health and behavioral health services to children and adolescents enrolled in Medicaid. It summarizes federal efforts to reduce administrative burdens and improve access, while explaining key considerations related to financing, payment, billing, and claiming for school-based services. The resource also highlights opportunities to expand access to care by strengthening Medicaid billing and service delivery in schools.
