All I Did Was Sleep’: Despite Years of Damning Reports, States Across the Country Fail To Rein in Psych Meds for Foster Youth

Adoption Competent Mental Health · https://bridges4mentalhealth.org/hub/adoption-competence/all-i-did-was-sleep-despite-years-of-damning-reports-states-across-the-country-fail-to-rein-in-psych-meds-for-foster-youth/

First part of a 2-part series. A review by *The Imprint* of policies in all 50 states and related class-action lawsuits nationwide reveals inconsistent enforcement of federal mandates requiring child welfare agencies to monitor psychotropic drug prescriptions for foster youth.
