Mental Health Training Tipsheets

Adoption Competent Mental Health · https://bridges4mentalhealth.org/hub/adoption-competence/mental-health-training-tipsheets/

Summary: This set of 10 tipsheets accompany the 10 training modules of the National Adoption Competency Mental Health Training Initiative (NTI) for mental health professionals. Each sheet contains numerous practical ideas and resources designed to reinforce learning from training and support the transfer of learning to mental health practice.

Application: Tipsheets can serve as valuable resources for mental health professionals seeking specific strategies and practical resources to incorporate learning from NTI into their ongoing practices.
