Approaches to Collaborative Partnerships in the Child Welfare Community Collaborations Initiatives

Collaboration Between Systems and Coordination of Services · https://bridges4mentalhealth.org/hub/collaboration-between-systems-coordination-of-services/approaches-to-collaborative-partnerships-in-the-child-welfare-community-collaborations-initiatives/

This report from the U.S. Administration for Children & Families (ACF) examines collaborative partnership approaches in the Child Welfare Community Collaborations (CWCC) initiative. It highlights how CWCC projects foster multi-system partnerships to address child welfare challenges through shared resources, data, and strategies. The report underscores the importance of aligning community strengths and needs to enhance service delivery and outcomes for families.
