Data Sharing: Courts and Child Welfare

Collaboration Between Systems and Coordination of Services · https://bridges4mentalhealth.org/hub/collaboration-between-systems-coordination-of-services/data-sharing-courts-and-child-welfare/

The resource by the U.S. Department of Health and Human Services Administration for Children and Families offers guidance for establishing automated, bi-directional data exchanges between child welfare agencies and courts but can apply to other cross-system collaborations. It outlines the benefits of such data sharing, including improved efficiency and informed decision-making, and provides recommendations for overcoming common challenges. The document also includes sample agreements and legal considerations to assist in the development of data-sharing initiatives.
