Mental Health Challenges in Caring for American Indians and Alaska Natives

Collaboration Between Systems and Coordination of Services · https://bridges4mentalhealth.org/hub/collaboration-between-systems-coordination-of-services/mental-health-challenges-in-caring-for-american-indians-and-alaska-natives/

This course explores the impact of trauma, societal factors, and the interplay between mental health and substance use within these populations. Clinicians learn to recognize early signs, conduct appropriate screenings, and implement culturally competent interventions. The healthcare team must coordinate efforts to foster understanding, improve care outcomes, and bridge the gap in addressing mental health among American Indian and Alaska Native individuals.
