The Workforce Report:Bridging the Mental Health Care Gap

Collaboration Between Systems and Coordination of Services · https://bridges4mentalhealth.org/hub/collaboration-between-systems-coordination-of-services/the-workforce-reportbridging-the-mental-health-care-gap/

The Inseparable Workforce Report outlines practical, state-level policy strategies to address the national shortage of mental health providers by strengthening training pipelines, improving reimbursement, expanding the range of recognized providers, and leveraging technology. It emphasizes that current shortages—affecting 144 million Americans—are solvable through targeted reforms that attract, support, and retain mental health professionals while improving access and outcomes.
