NTI Informational Webinar

NTI · https://bridges4mentalhealth.org/hub/nti/nti-informational-webinar/

This webinar overviews the National Adoption Competency Mental Health Training Initiative (NTI). Presenters discussed the benefits, structure, and effectiveness of the NTI training, emphasizing its interactive nature and the different curriculums available. Strategies for increasing motivation and completion rates were shared, along with information on additional support and resources available to participants.
