Tipsheet for MH Professionals–NTI Module 2: Understanding & Addressing the Complex Mental Health Needs of Children in Adoptive and Guardianship Families

NTI · https://bridges4mentalhealth.org/hub/nti/tipsheet-for-mh-professionals-nti-module-2-understanding-addressing-the-complex-mental-health-needs-of-children-in-adoptive-and-guardianship-families-2/

This tipsheet for mental health professionals provides an overview of NTI Module 2. Module 2 focuses on the complex factors that make up the “big picture” of adoption-competent assessments, and the risk and protective factors in children, families, and their environments that help to shape adjustment in adoption and guardianship.
