Family Peer Support Specialist Resources

Parenting Resources · https://bridges4mentalhealth.org/hub/parenting-resources/family-peer-support-specialist-resources/

Summary: A collection of resources for family peer support specialists including issue briefs (in English and Spanish), a state parent peer support directory, and a collection of articles talking about the role of parent peer support and what works.

Application: These links would be excellent for family peer support providers, supervisors and policy makers who want/need to see the value of family peer support.
