Parenting Your Adopted Preschooler

Parenting Resources · https://bridges4mentalhealth.org/hub/parenting-resources/parenting-your-adopted-preschooler/

Summary: Adoption is a lifelong issue and children may experience unique challenges at each developmental stage. Thus, it is important that parents are prepared for how to respond their child's needs with continued focus on building a trusting relationship.

Application: This publication can be used as a resource for parents as they navigate the preschool years with their child. These early years are a good time to start talking about adoption in a positive and relaxed manner and this tipsheet provides strategies on how to do so.
