Reunification from Foster Care: A Guide for Parents

Parenting Resources · https://bridges4mentalhealth.org/hub/parenting-resources/reunification-from-foster-care-a-guide-for-parents/

Summary: Learn how reunification for children who were in foster care can benefit parents, families, and professionals in this fact sheet that outlines information on children who enter foster care and understanding child welfare practice. This fact sheet can promote knowledge of parents' rights, court hearings, case plans, reunification and support services to encourage successful partnerships, cultivate engagement, and healthy transitions.

Application: Professionals can share with parents to learn about parent’s rights and information on child welfare practices like placement, court hearings, case plans, support services, and what to expect when a child returns home.
