The Impact of Social Media on Children

Parenting Resources · https://bridges4mentalhealth.org/hub/parenting-resources/the-impact-of-social-media-on-children/

Summary: Participants will learn how social media and the use of technology among youth can help identify ways to create awareness and build upon ways to protect youth.

Application: Resource families and professionals will acquire knowledge on the impact of social media and technology use by youth, vulnerabilities, identify risk factors and strategies to assist and support youth.
