Family First Implementation: A One-Year Review of State Progress in Reforming Congregate Care

Residential Treatment Programs · https://bridges4mentalhealth.org/hub/residential-treatment-programs/family-first-implementation-a-one-year-review-of-state-progress-in-reforming-congregate-care/

This report draws on research findings from 1) a 50-state survey of child welfare agency leaders and 2) focus groups with child welfare administrators, congregate care settings that have converted to QRTPs, and young people with lived experience in facilities that converted to QRTPs during the implementation of Family First.
