White Earth Behavioral Health Programs

American Indian/Alaska Native Tribal Nations · https://bridges4mentalhealth.org/hub/tribal-communities/white-earth-behavioral-health-programs/

The White Earth tribe offers many trauma-informed behavioral health programs. One such program is Healing Bridge. Founded in 2019, the Healing Bridge Program provides somatic healing services and herbal products to support the well-being of Tribal members. The Thunder Being House offers specialized programs for dually involved youth, juvenile healing to wellness, and the Circle Back Center. These programs are designed to provide support, rehabilitation, and guidance to youth facing unique challenges.
