Incorporating Those with Lived Experience into Your Support Services for Adoptive, Foster, and Kinship Families

Engagement of Lived Experience · https://bridges4mentalhealth.org/hub/youth-family-engagement/incorporating-those-with-lived-experience-into-your-support-services-for-adoptive-foster-and-kinship-families/

Sometimes the most helpful support a parent receives is from a fellow parent. This webinar reviews how to recruit individuals with lived experience to provide support services. Presenters share local examples of peer-led support programs.
