Lead Family Coordinators: Roles, Responsibilities, and Opportunities

Engagement of Lived Experience · https://bridges4mentalhealth.org/hub/youth-family-engagement/lead-family-coordinators-roles-responsibilities-and-opportunities/

This resource provides an overview of how systems of care can create a family-driven system for children, youth, and young adults with mental health and multi-system challenges. It provides information systems can use to recruit, hire, and support a role of Lead Family Coordinator.
