Tribal Leadership Series: Youth Engagement

Engagement of Lived Experience · https://bridges4mentalhealth.org/hub/youth-family-engagement/tribal-leadership-series-youth-engagement/

Summary: This guide provides information for tribal leaders on how to successfully engage youth, it includes:

• Information on the importance of youth engagement
• Levels of youth engagement and youth and adult partnerships
• Practices to support youth and youth engagement tools
• Trauma-informed practices for youth engagement
• Examples of how to work through differences and best practices

Application: This guide can help tribal leaders build knowledge and skills, while also incorporating their own tribe's cultural traditions and practices, around youth engagement.
